Financial Services Guide

Private Capital Advisers Pty Ltd (Private Capital Advisers, we, us and our) is an Australian Financial Services Licensee (AFS Licence No. 422 593).

This Financial Services Guide (FSG) is intended to inform you of certain basic matters relating to our relationship, prior to us providing you with a financial service. It contains important information about:

- The services we offer you;
- How we and our associates are paid;
- Any potential conflict of interest we may have; and
- Our internal and external dispute resolution procedures and how you can access them.

It is intended that this FSG should assist you in determining whether to use any of the services we offer you.

Not Independent

While we will always seek to meet our legal obligations to act in our clients' best interests within the meaning of section 961B of the Corporations Act 2001, we do not fall within the strict definitions of "independent", "unbiased" or "impartial" under section 923A. The reason we do not fall within these definitions is because we give our clients the option to allow life insurance companies to pay us commissions for the services that we provide to our clients rather than for us to be required to directly invoice our clients and for our clients to be required to pay us directly. We remain committed to continue to give our clients this important choice.

We may give you other documents when providing our services to you. These documents may include:

In this SOA we will tell you about:
